

ASSEMBLY INSTRUCTION

H10829 WALL LAMP

No special tools are needed to install this table lamp. Be sure to follow the steps in assembly instruction given. If you are unclear for how to proceed, consult a qualified electrician.

IMPORTANT SAFETY INSTRUCTION

- To prevent shock, only plug in unit after completed assembly.
- Do not exceed the maximum wattage rating as suggested.
- Before switch on the lamp, please follow the instruction step by step.
- Do not recommend to keep on the light exceed 12 hours.

Note : Never use with an extension cord unless plug can be fully inserted.
Do not modify or change from original lamp plug to fit to different outlet.

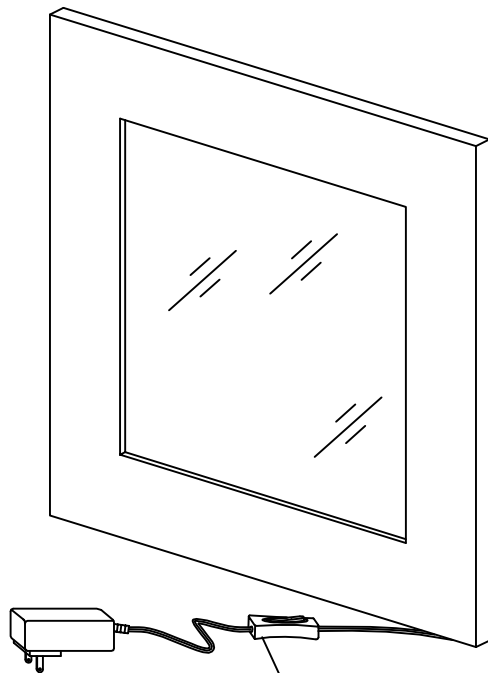

Step 1: Take out the wall lamp from the package slowly.

Step 2: Use proper hardware/hooks/bolts to hang it on the wall.

Make sure the wall is smooth and lamp is stable and secured properly.

Step 3: Insert the plug to the proper outlet. Switch to turn on or off the lamp.
